

AMG MedPro®

The Professional Choice

Latexfree

Sterilized Adhesive Bandages

AMG MedPro Sterilized Adhesive Bandages provide all-purpose protection to help soothe skin while it heals.

Comfortable

- The non-stick nylon pads on our bandages help to prevent skin and wound irritation.
- Small air vents on the bandage's plastic strip allow skin to breathe.
- AMG MedPro sterilized adhesive bandages are made of completely latex-free materials to help prevent allergic reactions.

Hygienic

- Each adhesive bandage has been sterilized and individually packed.

Trusted

- Healthcare institutions have used AMG bandages for years.
- Geared to meet the standards of health professionals, these bandages meet the high level of quality associated with the AMG MedPro brand.
